

# DMCC Rule Change Template

**Proposed By: Lee McGuire**

**Rule number to be changed:** Section 3.5 Grading

**In the case of additional rule, where should it be added:** NA

**Current rule:** Current rule allows of F1 and 2 in Open, and F3,4,5 in Clubman.

**Proposed change/addition:**

Addition of F3 Grade to Open Class and consequently F6 to Clubman as per table below

Grading	Class	Drivers in F Grading
F1	Open Class	Top drivers in previous championship
F2	Open Class	All drivers that do not fit f1 or f3
F3	Open Class	Drivers new to Open Class (promoted drivers etc)
F4	Clubman Class	Top drivers in previous championship
F5	Clubman Class	All drivers that do not fit f4 or f6
F6	Clubman Class	Drivers in first year of racing

**Reason for change:**

To allow for further seeding of heats as Open glass is growing in numbers.

Also allows awarding drivers further down the championship table.
